The Detail

Chapel Farm, Ashbourne Road, Shottle Gate, Belper, is a charming and characterful home of notable heritage, formerly part of the Chatsworth Estate. It sits within an impressive plot of over three acres, including established gardens, a paddock, and useful outbuildings.

The property is entered via a composite panelled entrance door with glazed inset, leading into a spacious dining kitchen. This beautifully appointed space features heritage green panelled units with brushed steel handles, woodblock-effect worktops, a ceramic 1½ bowl sink with mixer tap, a Rangemaster dual-fuel cooker, integrated dishwasher, and a tall fridge freezer. A beamed ceiling, large-format tiled flooring, recessed LED lighting, and multiple double-glazed windows to all elevations create a bright and sociable heart of the home, with access through to the snug.

The snug offers a warm and inviting atmosphere, with a dual-fronted log burner set within a fireplace, an exposed stone wall, two front-facing windows, and staircase access. From here, there is access to a downstairs WC and onward flow into the living room, which provides a second generous reception space. This room also features a log burner, beamed ceiling, dual-aspect windows, Velux rooflights, and stairs rising to the first floor landing.

To the first floor, the landing provides access to three bedrooms and a well-appointed family bathroom, along with a pressurised hot water system. The principal bedroom enjoys a front-aspect window and recessed lighting. Bedroom two benefits from a cast iron fireplace and dual-aspect windows, while bedroom three/dressing room also features a character fireplace.

Externally, the property is surrounded by extensive grounds, including mature gardens, a field, and a paddock, with the overall plot extending to over three acres. A particular highlight is the characterful two-storey brick outbuilding, offering exciting potential for conversion into a detached studio, ancillary accommodation, or holiday let, subject to the necessary planning consent.
