STUNNING EXTENDED HOME WITH PRIVATE PLOT - A most attractive, extended five-bedroom detached home of style and character, set within a generous and highly private mature plot of just under half an acre in this premier location on the edge of Darley Abbey village.

This charming 1940s home has been sympathetically extended to provide approximately 2,300 sq ft of beautifully appointed accommodation. It has been comprehensively upgraded throughout and offers spacious, well-balanced living, comprising a reception hallway, downstairs WC, elegant sitting room, spacious conservatory, and a superb contemporary open-plan dining kitchen, along with a separate utility room.

Upstairs, the first-floor landing leads to five bedrooms and a contemporary family bathroom. The impressive principal bedroom suite features a large balcony overlooking the rear garden, walk-in wardrobes, and a stylish en suite shower room. The second generous double bedroom also benefits from built-in wardrobes and its own en suite shower room.

Externally, the property is set well back from Duffield Road, screened for privacy, and occupies a wide, well-proportioned plot. It offers an extensive driveway, a single integral garage, a large detached single garage, and a brick-built workshop. The rear garden is particularly private and enclosed, featuring an expansive lawn, paved patio, and timber-decked seating areas.

The Detail

The property is approached via traditional double-opening timber doors, leading into an inviting entrance porch and then into a beautiful reception hallway, where oak herringbone flooring and contemporary finishes immediately set the tone. From here, the hallway provides access to a downstairs WC, cloakroom, study and a stunning sitting room.

Double-opening glazed panel doors lead into the impressive sitting room, which features a charming log burner, decorative stained-glass detailing, a large window, and a bright bay window overlooking the rear garden.

The property also boasts a superb open-plan dining kitchen, thoughtfully designed with contemporary handleless cabinetry, quartz worktops and high-specification integrated appliances. A central breakfast bar enhances the space, while glazed doors from the dining area extend into a large conservatory with a vaulted glass roof, creating seamless indoor-outdoor living and providing direct access to the garden's entertaining areas. There is also a well-proportioned utility room and a pantry.

Upstairs, the sense of space continues with a generously sized landing leading to five bedrooms. The luxurious primary suite is a standout feature, complete with a private balcony overlooking the garden, a walk-in wardrobe and a contemporary en suite with a wet-room-style shower. The remaining bedrooms are all well proportioned, with one benefiting from its own en suite, while a stylish family bathroom completes the first-floor accommodation.

Externally, the property occupies a generous and private plot, well screened from Duffield Road. It is set well back from the road and offers an extensive driveway providing off-road parking for multiple vehicles. There is a good-sized detached brick-built garage with a remote-controlled door, as well as a further single integral garage. Gated side access leads to a garage-sized workshop, offering excellent additional storage. The rear garden is particularly private and has been designed for both relaxation and entertaining, featuring a decked seating area, patio and a well-maintained lawn bordered by mature planting.
