THE DETAIL

The Detail

The property is entered via a welcoming hallway featuring laminate flooring and a useful recessed area for coats and everyday essentials. The spacious L-shaped lounge is a real highlight, enjoying a dual aspect with UPVC double glazed windows to the front and rear, allowing an abundance of natural light to flow through the room. A ground floor shower room further enhances the versatility of the accommodation.

The first floor offers three well-proportioned bedrooms, including two spacious double bedrooms. The principal bedroom overlooks the rear garden and benefits from mirrored fitted wardrobes, while the third bedroom is larger than average for this style of property, providing flexibility as a child's bedroom, guest room or home office. The family bathroom is fitted with a three-piece suite comprising a panelled bath, wash hand basin and WC, together with an obscure UPVC double glazed window. Loft access from the landing provides further storage.
