WELCOME TO MILL STREET

A beautifully presented and contemporary coach house offering stylish and spacious accommodation, private parking and a garage, all within easy reach of the city centre.

Offering considerably more than you would expect from a typical city-centre property, this fantastic home features a spacious open-plan living, kitchen and dining area, generous double bedroom with built-in wardrobes, modern bathroom, separate utility room and additional WC. The property also benefits from a private garage and parking behind secure electric gates, making it an excellent choice for those looking for convenience without compromising on space.

THE DETAIL

Situated in a highly convenient location close to the city centre, this modern and well-presented coach house offers stylish accommodation with excellent access to local amenities, transport links and everything the city has to offer.

The property is accessed on the ground floor, where you are welcomed by a useful separate utility room with space for appliances, together with a WC. This additional ground floor space provides a practical level of storage and functionality that is a real benefit for modern living.

Stairs lead to the first floor, where the property opens into a bright, spacious and impressive open-plan living, kitchen and dining area. The modern fitted kitchen offers a good range of storage and preparation space and comes equipped with a fridge freezer and dishwasher. The generous living area provides plenty of room for both relaxing and dining, creating a fantastic sociable space.

The well-proportioned double bedroom benefits from built-in wardrobes, providing excellent storage, while the modern bathroom is finished with a stylish three-piece suite.

The property has been modernly decorated throughout and benefits from new carpets, giving the accommodation a fresh and contemporary feel. Gas central heating and double glazing are also provided.

One of the property's standout features is the private garage and allocated parking behind secure electric gates. This provides excellent convenience and security
