Description

Welcome to 226 Carlton Road, an exceptional, extended four-bedroom family home that perfectly blends generous living space with a striking contemporary finish.

Step inside to a bright and spacious entrance hall, where a sleek stairwell rises to the first-floor landing, and doors lead effortlessly into the principal living areas. The lounge is impressively proportioned, flooded with natural light from a large front-facing window and finished with plush carpeting, creating a warm yet refined space ideal for relaxing or entertaining.

To the rear, the heart of the home unfolds in the form of a beautifully extended, open-plan kitchen/diner. This standout space has been thoughtfully designed with modern family living in mind, featuring stylish uPVC double-glazed French doors that open directly onto the garden. At its centre, a contemporary island with a luxurious quartz worktop and integrated power socket provides both a practical workspace and a social hub. The kitchen is fully equipped with an integrated oven, grill, and gas hob, alongside designated space for a fridge freezer and dishwasher, seamlessly flowing into a separate utility room.

The utility room offers additional convenience with space for a washing machine and tumble dryer, and provides access to a sleek ground-floor shower room with WC, as well as a door leading out to the rear garden, perfect for busy family life.

Upstairs, the property continues to impress with four generously sized double bedrooms, each benefiting from integrated wardrobes, offering ample storage without compromising on space.

The modern family bathroom is finished to a high standard and comprises a panelled bath with shower over, WC, and pedestal wash basin.

Externally, the home is equally appealing. To the front, a smart brick weave driveway provides off-road parking and features double gated access leading through to the rear. The garden itself is currently undergoing landscaping to create a stylish and versatile outdoor space, set to include a neatly laid lawn, a paved seating area for al fresco dining, and a striking brick-built, designed garden room. This impressive addition boasts a full-length feature window and full electrics, making it ideal as a home office, studio, or entertaining space.

This is a superb opportunity to acquire a turnkey family home with high quality finishes, generous proportions, and thoughtfully designed living spaces throughout.
