Overview

A well-presented, three-bedroom semi-detached chalet with stunning garden and garage with driveway. It is set upon a much sought after road as it is a short walk to the school & leisure centre, whilst being in walking distance of the High Street & even the coast ! It is a well loved home, that feels warm and homely throughout. It is well maintained and cared for, as shown by the beautiful frontage. The property presents an excellent opportunity for families or investors alike, with further potential to extend or enhance, subject to the usual planning consents.

Downstairs Accomodation

The property is entered via a glazed front door leading into a fully enclosed entrance hallway, featuring a tiled floor, polycarbonate roof, and windows to both the front and rear. From here, a glazed door opens directly onto the rear garden, while an internal door provides access to the integral garage. The garage is fitted with an up-and-over door and benefits from power and lighting, making it ideal for storage, workshop use, or possible conversion (subject to planning).

A further glazed door leads into the inner hallway, where stairs rise to the first-floor accommodation. The hallway provides access to a well-appointed kitchen, fitted with a range of Shaker-style base and wall units with roll-edge worktops and tiled splashbacks. Integrated appliances include a gas oven with hobs and tall fridge-freezer, alongside space for a washing machine and tumble dryer. A wall-mounted gas combination boiler is neatly positioned, while a window overlooks the rear garden. Additional storage is provided by built-in understairs cupboards, and the room is heated

by a radiator.

Also on the ground floor is a contemporary shower room, comprising a corner shower cubicle with mixer shower and modern wall panels, wash basin with vanity storage, tiled splashbacks, heated towel rail, and a rear-facing window. A separate cloakroom is fitted with a low-level WC and side window.

The sitting room is a bright and inviting space, enjoying a large front-facing window and radiator, offering a comfortable setting for everyday living or entertaining.

First Floor Accomodation

The landing provides access to the loft via hatch and leads to three well-sized bedrooms. The principal bedroom is a generous double with a large front-facing window and radiator. The second bedroom benefits from windows to both the side and rear, creating a light and airy feel. The third bedroom, with a rear-facing window, is ideal as a child's room, home office, or guest bedroom.

Outside

Externally, the property enjoys beautifully maintained front and rear gardens. The front garden is attractively landscaped with lawn, established hedging, and planted borders, while a driveway provides off-road parking for two vehicles behind low-level fencing and leads to the garage.
