ACCOMMODATION

GROUND FLOOR

The welcoming entrance hallway, with its striking mosaic tiled floor and arched doorway, immediately showcases the home's period character. From here, doors lead to the principal reception rooms, the garage, a downstairs bathroom, and a useful under-stairs cupboard. The spacious living room is light and inviting, with an original picture rail and central fireplace. Double doors open to the garden room, creating an excellent flow for entertaining.

The dining room enjoys dual aspect windows, including a sash window overlooking the garden, and connects directly to the kitchen. The kitchen itself is fitted with a range of wall and base units, built-in oven with hob and extractor, and a rear-facing sash window above the sink. From here, doors lead to the garden room, 2nd staircase, utility/study, and dining room.

The garden room is a real feature of the property - once home to a botanist prior to the current owners, it is tiled throughout, surrounded by double-glazed windows, and enjoys beautiful garden views. French doors open onto the rear garden. A versatile utility room/study offers space for white goods, a sink, and a secondary staircase that rises to two bedrooms. A door also leads directly out to the garden.

Completing the ground floor is a bathroom with shower, W.C, and basin, benefitting from natural light via twin sash windows. The property also boasts an integral garage with large electric door and overhead lighting.

FIRST FLOOR

An elegant staircase rises to a bright first-floor landing, lit by a front-facing sash window. From here, doors lead to four bedrooms and the family bathroom.

The principal bedroom enjoys dual aspect windows, built-in wardrobes, and excellent proportions. A further large double bedroom to the front features a fireplace and wash basin discreetly enclosed in a cupboard. Bedroom three, with sash window to the side and original fireplace, includes a storage cupboard housing the immersion tank. This room links to bedroom four, which also benefits from access via the secondary staircase.

Bedroom four features built-in shelving and a side-facing sash window. Bedroom five, also reached from the secondary staircase, is a generous double with a rear garden outlook, radiator, and storage cupboard.

The family bathroom completes the upstairs accommodation, offering bath, W.C, basin, heated towel rail, and rear garden views.

OUTSIDE

To the front, the property is approached via a paved frontage providing off-road parking and access to the double garage. Side pathways to both sides of the house lead through to the rear garden.

The garden itself enjoys a southerly aspect, with a paved patio area ideal for outdoor dining and entertaining, leading onto a neatly kept lawn. A shed and woodstore provide useful storage, while walled boundaries offer both character and a sense of privacy.
