## DESCRIPTION

Set on a generous corner plot just one mile from the highly sought-after coastal town of Aldeburgh, Birch Corner is an individual detached bungalow offering spacious and versatile accommodation in a peaceful setting.

The property is well set back from the road, with a predominantly block-paved frontage complemented by attractive circular planted borders. A glazed entrance porch leads into a welcoming and spacious reception hall, complete with an airing cupboard, additional storage, and loft access.

At the heart of the home is a large reception space, thoughtfully arranged to create a bright dual-aspect living and dining area. The living room features a contemporary remote control gas fire and patio doors opening into a conservatory, seamlessly connecting indoor and outdoor living. The dining area enjoys views over the rear garden and leads directly to a useful study with fitted bookshelves, overlooking the front.

The well-appointed kitchen is fitted with ample storage and a range of integrated appliances, including a Bosch double oven with warming drawer, gas hob with extractor hood, and a concealed dishwasher. A generously sized utility room sits adjacent, offering further storage, space for appliances, and direct access to the garden.

There are three well-proportioned bedrooms. The principal bedroom benefits from an extensive range of built-in wardrobes and an en-suite shower room. The second bedroom also includes fitted wardrobes and overlooks the rear garden. The third bedroom,

currently used as a studio, enjoys a front aspect and built-in storage. A family bathroom completes the accommodation.

Outside, a driveway provides parking for two vehicles and leads to a brick-built double garage with an electric up-and-over door, rear windows, and a personal door to the garden. The rear garden is a particular highlight enjoying a south westerly aspect—private and thoughtfully landscaped, featuring a wide paved patio with an electrically operated sun awning that extends some 12ft from the rear wall of the house across the paved patio area of the garden adjacent to the conservatory, raised planted borders, and an area of artificial lawn. The garden is richly planted with a variety of shrubs and plants, including ferns, acacias, grasses, and yuccas, all enclosed by established hedging for added privacy.

A superb opportunity to acquire a spacious and well-located home close to the Suffolk coast.
