Location

4 Birch Fields is situated in a delightful and elevated rural position and just a short distance from the centre of the popular village of Framsdén. Framsdén benefits from being located near to Helmingham Primary School and Nursery School which is about half a mile from the property. Framsdén is a pretty, rural village, with its popular Dobermann pub but also has the advantage of being relatively close to local, bigger conurbations. The County town of Ipswich, which is only ten miles to the south-west, has a wide variety of shops and services as well as trains to London's Liverpool Street Station taking just over the hour. The sought-after town of Woodbridge is ten miles to the south-east. Closer still is the medieval town of Framlingham with its historic castle and good range of shops and services (seven miles). The large village of Debenham is about three miles to the north-west.

The Accommodation

This beautifully converted barn offers exceptional open-plan living, with full-height windows and soaring ceilings that flood the space with natural light and create a striking contemporary atmosphere.

At the heart of the home, the kitchen/breakfast room is superbly appointed with a range of wall and base units, complemented by a central island incorporating integrated appliances, including a Neff hob, double oven and dishwasher. Composite work surfaces and inset spotlights complete the sleek, modern finish.

The ground floor is thoughtfully designed in a horseshoe configuration around a charming courtyard-style area with veranda and double doors opening into a spacious living and dining area. An archway from the living area leads to a rear reception/sunroom. There are two generously sized bedrooms on this level, each featuring a dressing area and en-suite bathroom. Additional accommodation includes a cloakroom, utility room with space for a washing machine and dryer, and a study with a door opening onto the covered patio area.

To the first floor are two further well-proportioned bedrooms of which both retain their original features and a family bathroom with a white three piece suite with shower over the bath and vanity sink.

The property also benefits from underfloor heating throughout, powered by an air source heat pump, with individual thermostatic controls in each room, ensuring comfort and energy efficiency year-round.

Outside

The property is approached by a courtyard which has a veranda area for seating and socialising. The rear garden is laid to lawn with a large patio area. Space for parking to the front of the property.
