Step outside to discover a garden that is nothing short of a tranquil oasis. This outdoor space is a true place of beauty, perfect for enjoying sunny afternoons or hosting gatherings with friends and family. The idyllic location further enhances the appeal of this property, offering a peaceful retreat while still being conveniently close to local amenities.

This must-see home is a rare find in Blackburn, combining modern living with a touch of charm. Whether you're a first time buyer or looking to find your forever home, this property is sure to meet your needs and exceed your expectations. Don't miss the opportunity to make this stunning house your new home.

External

This charming semi-detached property is located in the heart of Blackburn, offering a prime residential setting. The driveway provides generous space for off-road parking, ensuring convenience for residents and guests alike.

Entrance Hall

The entrance features a composite front door and a frosted UPVC double-glazed window, enhancing both aesthetics and energy efficiency. Inside, a central heating radiator provides warmth, while a dado rail complements the woodwork throughout the space. The engineered wood flooring adds a modern touch, and a ceiling light illuminates the area. Doors lead to two reception rooms, the kitchen, and the staircase to the first floor, creating a seamless flow between the different living spaces.

Reception Room One

This reception room is currently serving as a dining

area and features a double-glazed bay window at the front, providing ample natural light. It is equipped with a gas central heating radiator, a stylish gas fireplace with an attractive surround, and a ceiling light fixture. The flooring is carpeted, adding to the room's warmth and comfort.

Reception Room Two

The second reception room features a double-glazed bay window that offers a picturesque view of the lovely garden at the back of the property. It is equipped with a gas central heating radiator, an elegant inset gas fire controlled via a remote control, a ceiling light and is finished with carpeted flooring.

Kitchen

The property features a UPVC double-glazed window that offers a picturesque view of the garden. The kitchen is equipped with a selection of white gloss wall and base units paired with contrasting work surfaces, along with an integrated oven, hob, and extractor fan. Mirrored splashbacks enhance the aesthetic, while under-counter lighting adds functionality. Additional amenities include an inset sink with a chrome mixer tap, a wine cooler, integrated dishwasher and Karndean tiled flooring, all providing convenient access to the utility room.

Utility Room

The property features a front entrance with a UPVC double glazed frosted window and door, while the rear of the utility room is equipped with a UPVC double glazed door that leads directly to the garden. Inside, there is a stylish arrangement of panelled wall and base units complemented by matching work surfaces. The Utility Room includes an integrated fridge and freezer, plumbing for a washing machine and is finished with Karndean tiled flooring and ceiling spotlights. Additionally, a combination boiler is installed for efficient heating.

Downstairs WC

The downstairs WC features a WC, a wall-mounted vanity sink and a storage unit, all complemented by stylish panelled walls, ceiling light and karndean tiled flooring.

Bedroom One

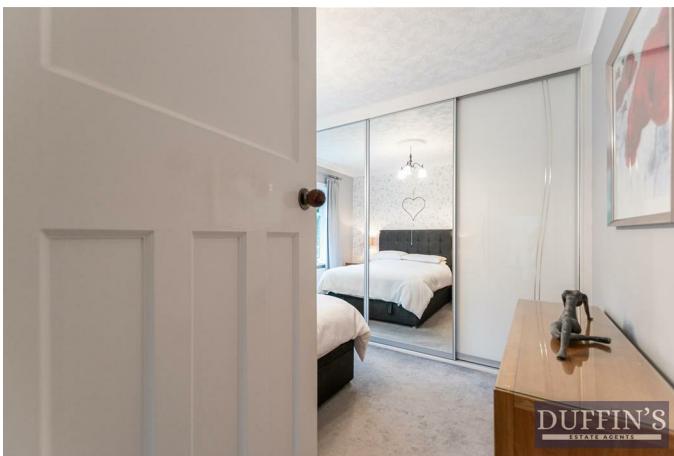

Bedroom one is equipped with fitted carpet, a ceiling light, a gas central heating radiator, a UPVC double glazed window, and built-in wardrobes.

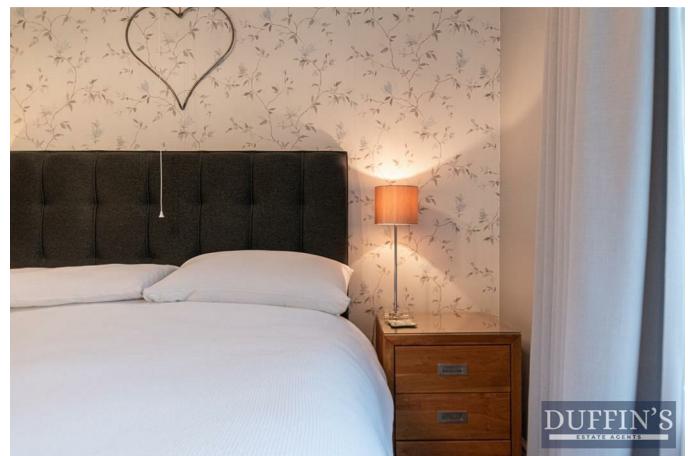

Bedroom Two

Bedroom Three

Bedroom three comprises of UPVC double glazed window to the front of the property, fitted carpet, a ceiling light, a gas central heating radiator and fitted carpets.

Bathroom and WC

This property features the added benefit of a separate WC and bathroom, enhancing the convenience of family living.

Bathroom

The bathroom features a UPVC double-glazed frosted window that ensures privacy while allowing natural light to filter in. It is equipped with a towel radiator for added comfort and a P-shaped bath complete with mains fed overhead shower and a protective shower screen. The design includes stylish wall-mounted chrome taps and a corner sink, complemented by an extractor fan for ventilation. Tiled elevations enhance

the aesthetic appeal, while a ceiling light and Karndean flooring contribute to a modern and functional space.

WC

Separate WC comprising of dual flush WC, ceiling light, stylish panelled wall, Vinyl flooring on top of Karndean Flooring and UPVC Double Glazed Frosted Window.

Garden

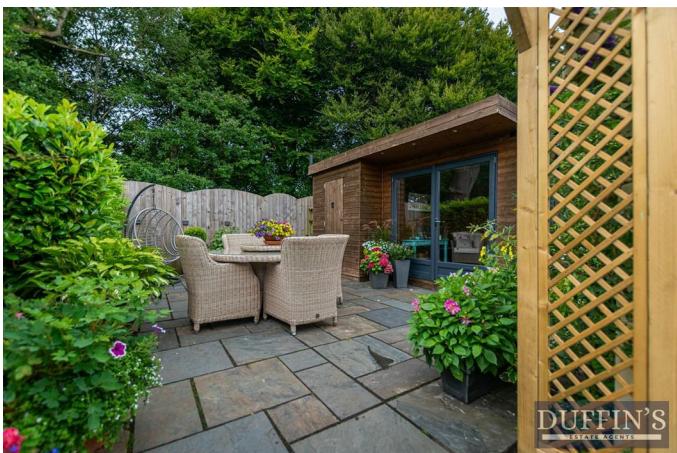

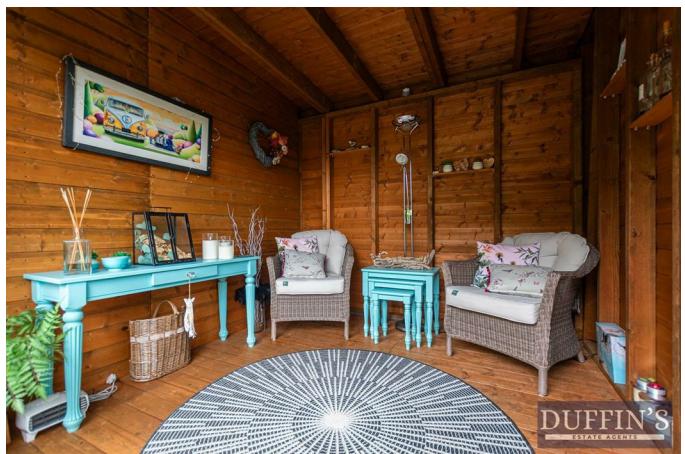

Experience the tranquillity of this enchanting garden, framed by mature trees and flowering shrubs that dance softly in the summer air. The landscape is meticulously arranged with a variety of textures and colours, creating a visually appealing environment. Adjacent to the house, the first patio serves as an ideal spot for savouring morning coffee, while a second patio, situated deeper within the garden, lies beside a charming summer house equipped with electricity for indoor comfort. Next to the summer house, a shed provides convenient storage solutions, again offering electricity. The expansive lawn enhances the garden's allure, making it a secluded haven that is beautifully designed for both relaxation and entertaining.
