This is a discount for sale property. Discount for sale is an affordable home ownership scheme where 100% of the property is purchased at a discounted rate – in this case the purchaser pays 81% of the open market value. The purchaser(s) would be considered as 100% owner(s) and therefore no rent is payable to Home Group and staircasing is not applicable. The discount is locked into the property and is always passed on to future buyers. Discount for sale is different to shared ownership and shared equity schemes.
