The heart of the home is a generous, open-plan kitchen, dining and family area, thoughtfully designed with bi-fold doors that seamlessly connect to the south facing landscaped rear garden, creating an effortless indoor-outdoor lifestyle. Finished with stylish porcelain tiled flooring throughout the ground floor, this space is both practical and visually striking. The kitchen itself is beautifully appointed, complete with integrated appliances including a wine cooler, ideal for entertaining. A practical utility room, also with direct external access, adds convenience and functionality. For more formal or flexible living, a separate spacious lounge provides versatile spaces for entertaining, relaxation or family living.

Upstairs, the luxurious primary suite is a true retreat, featuring a bespoke walk-in dressing area, a stylish en suite, and a Juliet balcony that frames impressive views. A dramatic vaulted ceiling enhances the sense of space and light. The second bedroom also enjoys an en suite and fitted wardrobes, while two further double bedrooms share a contemporary four-piece family bathroom, completing the first-floor accommodation.

Outside there is an extremely well stocked landscaped rear garden with patio area. To the front there is a driveway providing parking for multiple cars, a garage with an electric sectional door and an EV charging point. The property further benefits from solar panels, enhancing energy efficiency and helping to reduce ongoing utility costs, making it as economical as it is attractive.
