A comfortable, well-presented and generously proportioned family home, benefitting from a south-facing enclosed garden and a highly convenient location. Built by Bloor Homes in 2009, this attractive property offers modern living with excellent access to the town centre, mainline rail links to London Paddington, and picturesque riverside walks nearby.

The ground floor accommodation is both practical and inviting, featuring a well-appointed kitchen/breakfast room fitted with a comprehensive range of units and worktops. Integrated appliances include a double oven, gas hob with extractor hood, and dishwasher, creating a functional and sociable space for everyday living. The spacious living room provides a welcoming environment, with French doors opening directly onto the rear garden, allowing for plenty of natural light and seamless indoor-outdoor living.

On the first floor, the property offers a well-proportioned principal bedroom complete with built-in wardrobes and a private en-suite shower room. Also on this level are a further bedroom and a study, ideal for home working or flexible family use.

The second floor continues to impress, featuring additional well-sized bedrooms, including one with its own en-suite, along with a family bathroom serving this level, making the layout particularly well-suited to growing families or those requiring guest accommodation.

Throughout, the home benefits from uPVC double glazing, gas central heating, and quality carpets and flooring, all contributing to its ready-to-move-into appeal.

Externally, a driveway to the side provides off-road parking and leads to a garage, offering further storage or secure parking. The enclosed rear garden is a standout feature, enjoying a desirable south-facing aspect and comprising a patio area, lawn, and well-stocked borders—perfect for relaxing, entertaining, or family enjoyment.
