Evesham, WR11 7HW

- A super semi-detached family home with large gardens
- Parking plus garaging
- Must be viewed to be fully appreciated
- Four bedrooms
- Highly sought after village location
- Rural living

APPROX. ONE-ACRE GARDEN

Offering excellent scope for further enhancement and personalisation, this four-bedroom semi-detached home is set within a highly sought-after and desirable village location. The property occupies a generous plot and benefits from an exceptionally large garden approaching one acre, along with both a single garage and a detached double garage, as well as a conservatory.

The internal accommodation is well-proportioned and versatile, beginning with an entrance hallway that leads through to a fully fitted kitchen, providing ample storage and workspace. The spacious sitting room is a key feature of the home, boasting a bay window that allows for plenty of natural light, along with a log burner that adds character and warmth. A downstairs WC adds convenience, while the generous conservatory to the rear offers additional living space with views over the garden, making it ideal for relaxing or entertaining.

Upstairs, a large landing provides access to four well-sized bedrooms, some of which benefit from built-in wardrobes. The family bathroom has been recently refurbished to a good standard and includes both a bath and a separate shower enclosure, catering well to modern family living.

Externally, the property truly stands out due to its substantial grounds. The rear garden is predominantly laid to lawn and is complemented by a variety of mature trees and established shrubs, creating a private and attractive outdoor setting. Patio areas provide ideal spaces for outdoor dining and entertaining, while the overall size of the plot offers significant potential for landscaping or further development, subject to the necessary permissions.

To the front, a gravelled driveway provides ample off-road parking for multiple vehicles. In addition to the attached single garage, the property also benefits from a detached double garage positioned within the garden, offering further storage, workshop space, or potential for alternative uses.
