This exceptional Edwardian villa has undergone an extensive refurbishment, seamlessly blending original period features with modern comforts to create a truly elegant home. The property extends to approximately 2,700 sqft and is arranged over four beautifully presented floors.

From the moment you step into 116 High Street, you are immediately struck by the impressive scale, character, and welcoming atmosphere of this beautiful period home. Generous proportions, high ceilings, and an abundance of natural light combine to create a property that is both elegant and comfortable, offering versatile accommodation ideal for modern family living.

The accommodation begins with a spacious entrance hall that sets the tone for the rest of the property. From here, you will find two substantial reception rooms, each offering generous living space and flexible use as formal sitting and dining rooms, or as a family lounge and entertaining area. These rooms are filled with natural light and provide the perfect setting for both everyday living and hosting guests.

To the rear of the property is the well-appointed kitchen/breakfast room, designed to serve as the heart of the home. This inviting space provides ample room for dining and informal gatherings, making it ideal for family meals or social occasions. Adjacent to the kitchen are a practical utility room and pantry, offering excellent additional storage and workspace, while a convenient ground floor WC completes the ground floor accommodation.

On the first floor, there are three double bedrooms—one with fitted wardrobes—and a stylish family bathroom. The top floor is currently arranged as a master suite, featuring a spacious principal bedroom, a study, shower room, and a room currently used as a walk-in wardrobe. Additional benefits include off-street parking to the rear, a landscaped garden, a cellar for storage, and the convenience of a central town location
