- A tremendous detached property offering a huge amount of potential
- Potential to run a business from home
- Two bathrooms
- Scope for redevelopment of the barn
- Four bedrooms
- Countryside views to the front

A spacious and detached family home extending to over 2,300 sq ft, complete with a versatile barn/office ripe for conversion (STPP), and enjoying far-reaching views across the Cotswold escarpment.

Nestled on the edge of the sought-after Cotswold village of Willersey, this much-loved home occupies a generous plot and is offered for sale with no onward chain. It presents an exciting opportunity to secure a characterful village property with scope for modernisation and improvement.

The house is rich in period features—including bay windows and open fireplaces—while still offering light-filled, airy interiors. With three reception rooms and a conservatory, the layout provides flexibility seldom found in newer homes, with further potential to reconfigure into open-plan living if desired. Upstairs, a galleried landing leads to four well-proportioned bedrooms and two bathrooms.

The gardens are a particular highlight, featuring sweeping lawns, a pond, and mature planting, while still providing ample space for family enjoyment. Additional benefits include plentiful parking, with the possibility of creating more on the right-hand side via a second dropped kerb.

The detached barn has been used as an office but could readily be adapted to provide ancillary accommodation (STPP) or a dedicated home office, offering excellent versatility and privacy.
