Move-in ready and upgraded to an extraordinary standard, this is a true showstopper that blends modern living with bespoke, high-quality finishes.

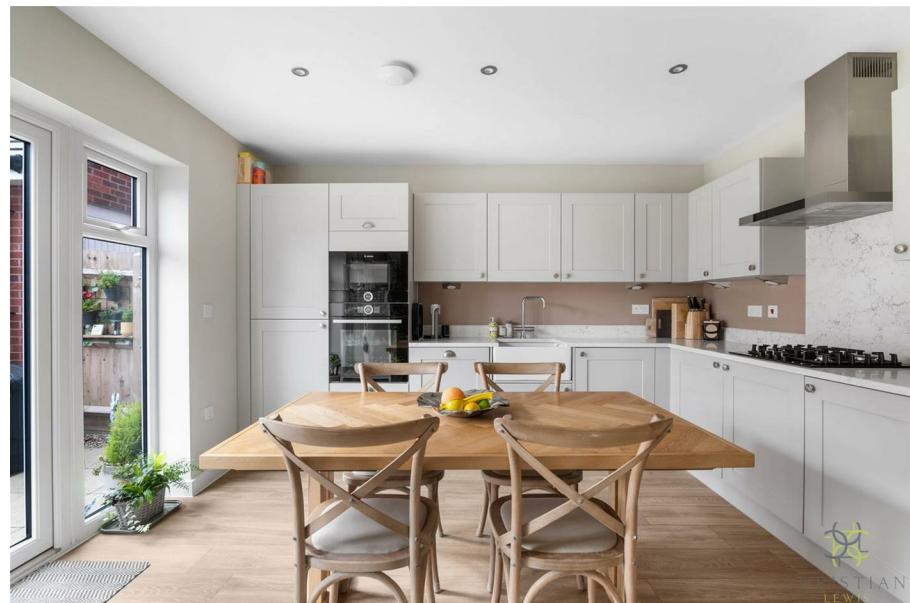

Measuring an impressive 1,369 sq. ft. and only a year or so old, the home is beautifully positioned with open views and has been thoughtfully enhanced by the current owners. Every detail has been carefully considered, from solid oak internal doors and luxurious quartz worktops to a boiling water tap, premium tiled flooring, custom oversized vanity units, and Bosch integrated appliances. To complete the picture, bespoke fitted wardrobes by Hammonds add both elegance and practicality. It's incredibly rare to find such a new home with this level of attention to detail and investment.

The accommodation is perfectly laid out for modern family living. The welcoming entrance hall leads to a bright and comfortable living room, while the heart of the home is the stylish kitchen/diner, fully fitted and designed for both everyday use and entertaining. A handy utility area and a convenient ground-floor W/C add further practicality.

Upstairs, the first floor offers two spacious double bedrooms and a sleek family bathroom. The top floor is entirely dedicated to a luxurious master suite, complete with its own walk-in wardrobe and private ensuite, creating the perfect retreat.

Externally, the property continues to impress with off-road parking, a single garage with double doors opening into the garden, and a private east-facing rear garden – ideal for enjoying morning sun and outdoor living.

This property is more than just a house – it's a home that combines modern build quality with a host of bespoke upgrades, ready to move straight into without lifting a finger.
