Damson House is an impressive five-bedroom executive detached home, built by Newland Homes in 2018 and occupying a prime position at the head of this sought-after development. As the largest property within the scheme, it enjoys beautiful countryside views to the front and from the south-facing rear garden, creating a wonderful family home in an enviable setting.

The welcoming double-height entrance hall is filled with natural light and provides access to the lounge, open-plan kitchen/dining area, cloakroom, and storage cupboard. The spacious dual-aspect lounge features large windows and French doors opening onto the rear garden, while the impressive kitchen/diner is ideal for modern family living and entertaining, complete with bifold doors to the garden, a central island, breakfast bar, Neff double oven, ceramic hob, integrated dishwasher, and space for an American-style fridge/freezer. A separate utility room provides additional storage and access to secure side lean-to storage. A second reception room to the front offers flexibility as a study, playroom, or snug.

Upstairs, there are five well-proportioned bedrooms and a contemporary family bathroom. The principal bedroom benefits from a walk-in wardrobe and stylish en-suite shower room, while the remaining bedrooms, three of which are generous doubles, all enjoy attractive countryside views. The loft is partially boarded and accessed via a wooden ladder.

Externally, the private south-facing rear garden overlooks open fields and has been designed for both relaxation and entertaining, featuring a large terrace, lawn, built-in BBQ, pizza oven, and side access. To the front, a driveway provides parking for three vehicles.

Further enhancing the property is the converted double garage, which now offers a bedroom, shower room, separate WC, and reception area with fitted kitchenette. This versatile space would suit guest accommodation, multigenerational living, a home office, or business use.
