Built from locally handmade Draycott Red bricks by Northcot Brick, 1 New Street was designed and constructed by the current owner and completed in 2020. The property has been finished to an exceptional standard, incorporating high-quality fixtures and fittings throughout. These include powder-coated triple-glazed aluminium windows and doors, underfloor heating to the ground floor, black uPVC gutters, anthracite wood-grain soffits and bargeboards, and anthracite roof tile closures, all contributing to a clean and contemporary maintenance free finish.

The versatile layout makes this an ideal home for a wide range of buyers, including professional couples, families or discerning downsizers. The accommodation comprises an entrance hall, a beautifully fitted kitchen with quartz worktops and Neff appliances opening into a dining area and family room with a modern Danish-designed gas fire, a living room with a further Danish-designed gas log-effect fire, a garden room with sliding doors, a utility room with solid oak worktops and a cloakroom.

The first floor benefits from vaulted ceilings throughout, creating a bright and airy feel. The principal bedroom is generous in size and features a large en suite with walk-in shower, freestanding bath and Velux windows. There are two additional double bedrooms and a family bathroom.
