- Large Kitchen Diner With Breakfast Bar
- 3 Bedrooms - 2 Double, 1 Single
- Central Location
- Dual Aspect Living Room With Patio Doors
- Scope For Rear Driveway Parking

Nestled on Abbots Road in the charming town of Pershore, this immaculately presented mid-terrace house offers a delightful blend of modern living and classic appeal, and is offered to the market chain free. Built in the 1950s, this property spans an impressive 986 square feet and features three well-proportioned bedrooms, making it an ideal family home. Its ideal location is just a stones throw from Pershore Town Centre which is accompanied by local independent shops, cafes and 2 supermarkets. It also offers great rail links to London Paddington & Birmingham New Street.

As you enter you are welcomed into the hallway with stairs elevating to the first floor. The ground floor then flows left into the spacious, dual aspect reception room complete with electric fire and patio doors to the garden. To the opposite side of the property is the true heart of the home, the large kitchen diner, which boasts integrated appliances, a Belfast sink alongside plenty of space to entertain with a stylish breakfast bar and space for a dining table offering great flexibility.

To complete the downstairs internally, there is a practical downstairs shower room, complete with a shower, WC, and basin alongside door to the rear garden.

Stairs elevate to the first floor where you will find three bedrooms, two of these are generous size doubles and a good size single. All three bedrooms are complete with cupboard storage for additional convenience. Additionally, the loft has been fully boarded, with new access and has a light & loft ladder for convenience.

Externally, the property is equally impressive. A private rear garden offers a tranquil outdoor space, complete with external studios that have previously been used for cat boarding, equipped with light and power, and accompanied by an outdoor store room.

There is also potential to enhance the property further by creating a driveway through minor modifications to the rear garden gates.
