Dacombe Close

The property has been well kept throughout and briefly comprises three double bedrooms, lounge, kitchen, family bathroom, downstairs toilet and a conservatory that's perfect for use as a dining room.

The tiered rear garden allows for multiple social spaces. As you enter the garden via the 'French doors' from the conservatory you are met with decking, ideal for garden furniture. The middle section is laid to lawn accompanied by a variety of shrubs. At the bottom end of the garden you'll find a further patio area alongside a garden shed. All enclosed by either panel fencing or hedges. Useful side access leads to a front gate and a door entering back into the kitchen.

Many further benefits include a driveway, integral garage with power, gas central heating via a modern boiler, double glazing and an updated consumer unit.

Boasting a position close to local amenities and favoured local schooling, we believe this property will attract high levels of interest. To arrange a viewing, or for more information, please contact our Upton branch.
