Ashmore Crescent

Brimming with character and offering enormous scope for further extension (subject to the necessary planning permissions), this charming home combines period features with an enviable coastal location.

The well proportioned accommodation begins with an inviting entrance porch leading into a spacious hallway, with a convenient downstairs cloakroom. The ground floor offers a generous lounge, a separate dining room, a fitted kitchen, and an impressive conservatory spanning the full width of the property, creating an exceptional additional living space with delightful views over the garden.

Upstairs, the property features three generous double bedrooms and a family bathroom. The rooms to the rear on the first floor enjoy sea views, while the conservatory and rear garden offer occasional glimpses of the water. Throughout the home, original character features, high ceilings, fireplaces and well balanced room proportions create a light and welcoming atmosphere, with the property presented in good decorative order.

Outside, the fantastic south facing rear garden is a particular highlight, being predominantly laid to lawn with a spacious patio ideal for outdoor dining and entertaining. To the rear of the garden is a substantial boathouse/garage, providing excellent storage, workshop space or potential for a variety of uses. To the front, a gravel driveway provides off road parking.

Offering spacious accommodation, significant potential to enhance, and an exceptional location moments from the beach, this is a wonderful family home that presents a rare opportunity to create a truly outstanding coastal residence. To arrange a viewing, please contact our Upton office.
