Allens Road

The accommodation comprises a three bedroom semi detached house along with a separate two bedroom annexe located within the garden, making it ideal for extended family living, guests or multi generational households. Equally, we feel the annexe could also provide a fantastic space for those working or running a business from home.

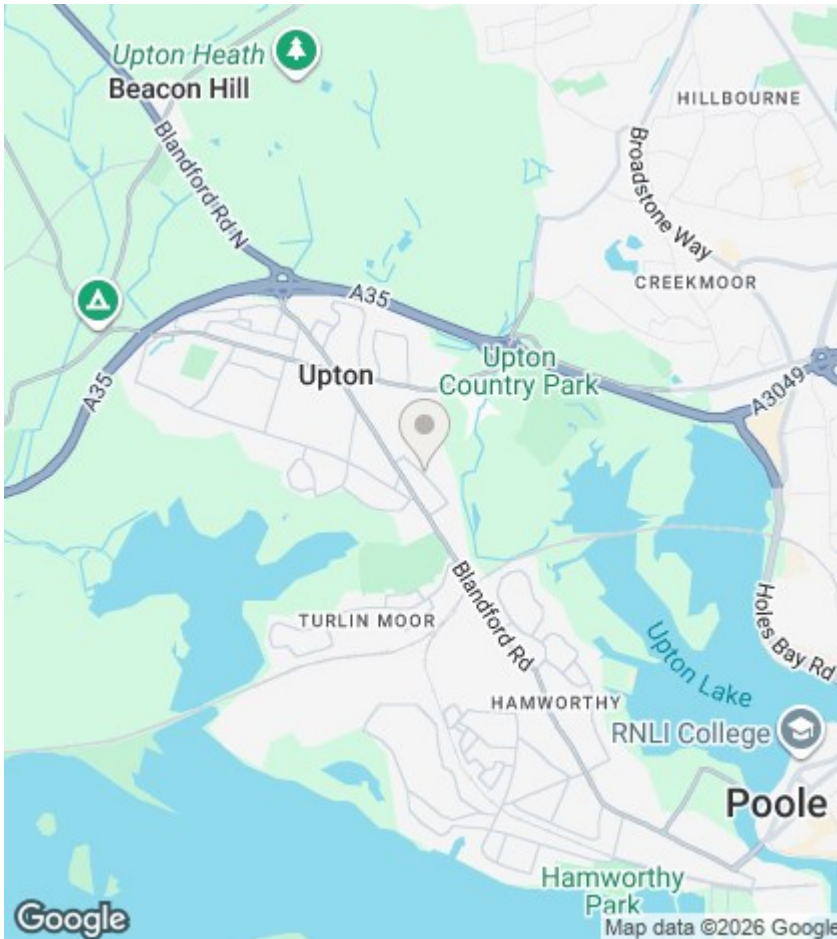

The main house offers well presented and practical living accommodation. Upon entering, the front lounge is bright and welcoming, creating an inviting space to relax. The ground floor also benefits from a spacious bathroom fitted with a bath and overhead shower, WC and wash hand basin. To the rear of the property, the well proportioned kitchen features a dining area and provides ample space for appliances including a washing machine, dishwasher and fridge freezer, along with a gas hob and extractor fan. Glazed doors lead directly to the garden.

Upstairs, there are three bedrooms comprising two good sized doubles and a single room. The two larger bedrooms are connected by a 'Jack & Jill' style en-suite bathroom, fitted with a shower, toilet and wash hand basin. The loft houses the combi boiler, providing efficient heating and hot water throughout the home.

Externally, the property enjoys a lovely rear garden, mainly laid to lawn with a patio area that is ideal for outdoor dining and entertaining. To the front, the driveway provides ample off road parking for multiple vehicles.

A particular feature of the property is the separate two bedroom annexe located at the side of the garden. This excellent additional space offers a living area, dining area, kitchen, shower room, a double bedroom and a further room suitable for a single bed, providing flexible accommodation for a variety of needs.

This attractive property offers an excellent combination of space, practicality and flexibility, making it a fantastic family home with the added benefit of a self contained annexe. Early viewing is highly recommended - To arrange, or for more information, please contact our Upton office.
