The main property comprises three good sized bedrooms, living room, recently added sun room, kitchen/dining room, en-suite shower room and a family bathroom. The annex offers a double bedroom, kitchen/dining area, further sunroom and a shower room - it's the perfect space for a dependant relative or a potential income opportunity thanks to it's private entrance.

Externally, the property enjoys two garden spaces. The smaller of the two is a low maintenance space which has been paved and laid to artificial grass. The main garden is particularly sizeable and has a useful garden room with power supply (measuring 4x5m), greenhouse and two big sheds. Further benefits include off-road parking, a single garage, gas central heating and UPVC double glazing. The current owners have also added solar panels to the property.

Positioned within a central location, there a number of favoured amenities within walking distance. It's also worth noting that the property is well located to access favoured schooling.
