Wareham Road

Situated in the desirable village of Lytchett Matravers, this characterful two bedroom semi detached property presents a fantastic opportunity for those looking to modernise and make it their own. Set on a generous plot with an attractive frontage, a good sized rear garden and garage, this property offers both charm and plenty of scope for improvement.

The existing accommodation comprises two double bedrooms, a living room, kitchen, utility extension, downstairs shower room and bathroom. Whilst the property is in need of updating throughout, it provides a solid foundation for renovation and personalisation. One of the key highlights is the potential to extend to the side (subject to the usual planning permissions), making it an appealing option for families looking to grow into the space over time.

The property sits within walking distance of popular local schools and the village centre, which offers a range of amenities including shops, pubs, and countryside walks. Lytchett Matravers is well regarded for its community feel and convenient access to Poole, Wareham, and the surrounding Dorset countryside.

This home is ideal for those looking for a project with potential in a quiet yet well connected village setting. With thoughtful updates and vision, we believe it could become a long term family home in a sought after location.
