Greenway Crescent

Built in 2007, the well planned and spacious accommodation briefly comprises; three bedrooms, living room, kitchen/dining room, family bathroom and downstairs toilet.

From the kitchen, there are french doors leading to a lovely south facing rear garden, which has been designed for low maintenance with artificial lawn and a side patio area with access gate and shed for outside storage. All is enclosed by panel fencing.

The property further benefits from gas central heating, UPVC double glazing, modern front door and a driveway with dropped kerb.

Situated within easy reach of local amenities and bus routes, the property falls within catchment for popular Upton and Lytchett Minster schools making it an ideal family home in our opinion.

With the vendor suited, we are expecting high volumes of interest and internal viewings come highly recommended to avoid disappointment. To arrange, or for further information, please contact our Upton office.
