Cabot Lane

Designed with a focus on a useable, social living space this property offers spacious accommodation ideal for families and young couples alike. Briefly, the home comprises: three good sized bedrooms, separate snug lounge, open plan kitchen/family room, en-suite shower room, downstairs toilet and family bathroom.

The garden wraps around the side of the property allowing for the different spaces to be dedicated to specific uses - currently, a patio area abuts the rear of the kitchen; there is a veg growing area to the side of the property and the rest is majority laid to lawn. Further benefits include off-road parking for three cars, skylight on the landing, UPVC double glazing, gas central heating, remainder of build guarantee, integrated appliances and a position close to a range of amenities.

In our opinion, internal viewing is a necessity in order to appreciate the space on offer here. To arrange, or for more information, please call our Upton office at your earliest convenience!
