The well planned accommodation briefly comprises: two double bedrooms (both with in-built wardrobes), bright lounge/dining room, conservatory, kitchen and bathroom.

Throughout, the property is generally spacious and whilst requiring a certain degree of modernisation we believe it to be a fantastic first time purchase that can be occupied immediately.

The garden is majority laid to lawn and backs onto fields, meaning a nice rural outlook to the rear of the property. Further benefits include off-road parking, gas central heating and attached garage with light & power.

We encourage internal viewing at your earliest convenience, with our vendor offering no onward chain! To arrange, or for more information, please call our Upton Branch.
