

The background of the entire image is a dense, repeating pattern of stylized flowers and leaves. The flowers are large and have a central cluster of stamens. The leaves are long and narrow, pointing upwards. The entire pattern is rendered in a monochromatic teal or blue-green color, with varying shades of opacity to create a sense of depth and texture.

The gardens have remained relatively unchanged since being first laid out in 1886 and are for the exclusive use of the residents. Within easy reach are the world-class shops, bars, schools and restaurants to be found on Sloane Street, the Kings Road, the Old Brompton Road and the Fulham Road. Sloane Square station is 0.3 miles away, Knightsbridge Station is 0.6 miles away and South Kensington Station is 0.7 miles away.
