## Hallway

A bright and welcoming hallway features a white colour scheme that enhances

the natural light. Fitted storage cupboards are discreetly positioned beneath the staircase and along the corridor, offering practical space-saving solutions. The grey tiled flooring adds a modern touch and continues seamlessly into adjacent areas, creating a cohesive flow throughout.

## Kitchen

The kitchen is stylish and functional, fitted with white cabinets topped with wood-effect work surfaces that add warmth to the space. A tiled splash-back in a subtle tone complements the light, neutral palette. Integrated appliances include a black oven and a stainless-steel extractor hood. The kitchen layout maximises the available space with plenty of storage and worktop areas, and a window above the sink provides a view out to the front garden.

## Ground Floor WC

Also located on the ground floor is a separate WC in a simple white suite, providing extra convenience for guest and occupants alike.

## Living Room

A spacious living room filled with natural light from large windows and a patio door that opens onto the garden. The room is carpeted in a soft, neutral shade that enhances the bright and airy feel. A characterful focal point is the exposed brick chimney breast, which houses a wood-burning stove, adding warmth and charm. The room offers ample space for both seating and dining areas, with access through a glazed door to the rest of the home.

## Rear Garden

The rear garden extends generously from the house, featuring a paved patio area ideal for outdoor seating and entertaining. Beyond this, a long lawn stretches back towards mature trees at the boundary, offering privacy and a natural backdrop. The garden is enclosed with fencing on either side.

## Bedroom 1

The main bedroom is a bright and spacious room with a high ceiling that

includes exposed beams, adding character and a sense of volume. A large window fills the room with light, while the neutral carpeting and painted walls provide a calm and restful atmosphere. A radiator beneath the window offers heating, and the room benefits from a pleasant, peaceful outlook.

### **Bedroom 2**

This bedroom is comfortable and well-lit, featuring a window that allows natural light to stream in. The room is carpeted in a pale tone and has a high ceiling with exposed beams that lend a sense of space and character. A wall-mounted radiator provides warmth, and the neutral decor creates a versatile space suitable for relaxation or study.

### **Bedroom 3 / Study**

A smaller bedroom or study room with a window positioned centrally on the wall, allowing in natural light. The room features neutral carpeting and light walls with a dado rail adding a touch of traditional detail. Heating is provided by a radiator beneath the window, making this room a cosy and practical space.

### **Bathroom**

The bathroom is fitted with a modern white suite including a bath with an overhead shower and a curved glass shower screen. White wall tiles surround the bath area, while a frosted window allows natural light to enter while maintaining privacy. A heated towel rail and a washbasin with storage beneath complete the practical yet stylish space.
