The main kitchen diner is both spacious and charming. It features a traditional four door AGA, bespoke free standing units including a large centre island, with granite work tops and stone flooring throughout. The kitchen affords access to a separate utility room.

The living room features exposed beams and a carved stone fire place with a log burner. Leading from this is the formal dining room and access to the upper ground floor via a hand crafted oak staircase. There is a large cellar and storage below the ground floor.

The show stopping triple aspect garden room features fully glazed walls, with two full runs of bi folding doors to bring the outdoors in, providing views of the gardens and woodland beyond. This superb space is a simply magnificent investment made by the current owners which works equally well as a tranquil space for relaxation and a dynamic entertainment area.

Briefly, the main house contains a total of 6 double bedrooms, with 4 benefitting from ensuite bathrooms. The primary bedroom suite is accessed via a secret wardrobe and comes with an ensuite featuring twin basins as well as gorgeous garden views.

All bedrooms feature fitted wardrobes with bespoke oak doors.

There are over 1,750 sqft of floor space on offer in the outbuildings alone; the most significant being a treble garage with extensive space above, which forms the ideal home
