Secret Garden is a pioneering riverside development designed for modern, sustainable living. Created by Citu in partnership with White Arkitekter, the Scandinavian-inspired homes prioritise low-impact design, energy efficiency, and regenerative principles, offering residents a lifestyle that is both environmentally conscious and beautifully contemporary.

Set within a calm urban sanctuary, the development demonstrates how thoughtful architecture and sustainability can work in harmony. Secret Garden has been widely recognised for its environmental leadership, earning Best Sustainable Development at the Sunday Times British Homes Awards (2019), alongside a Housing Design Award (2020) and Yorkshire Residential Property Award for Best Residential Development (2021).
