Entered through a modern composite front door this superb family hoe briefly comprises: a covered open porch, impressive entrance hall with a door into the integral garage, lounge, separate dining room, kitchen with utility room and ground floor wc, 6 bedrooms including a master suite with en-suite shower room, and a family bathroom all spread over 3 floors

OUTSIDE

Outside space is an important factor when considering a larger property. This superb family home stands on a generous plot with the frontage being block paved to provide car standing for 4 cars, access to the front door and pedestrian access to the rear. The rear garden has been fenced to all sides and laid out with low maintenance in mind. There is a patio area directly behind the house, a lawn beyond with well stocked borders and flower beds

THE AREA

Cleveland Road is an established residential street enjoying excellent road links and being close to schools and town centre amenities. Extended in 2004 onto land once owned by The Leicester Racecourse, a new development was created comprising mainly larger style detached family homes with easy access to Oadby and Wigston town centres.

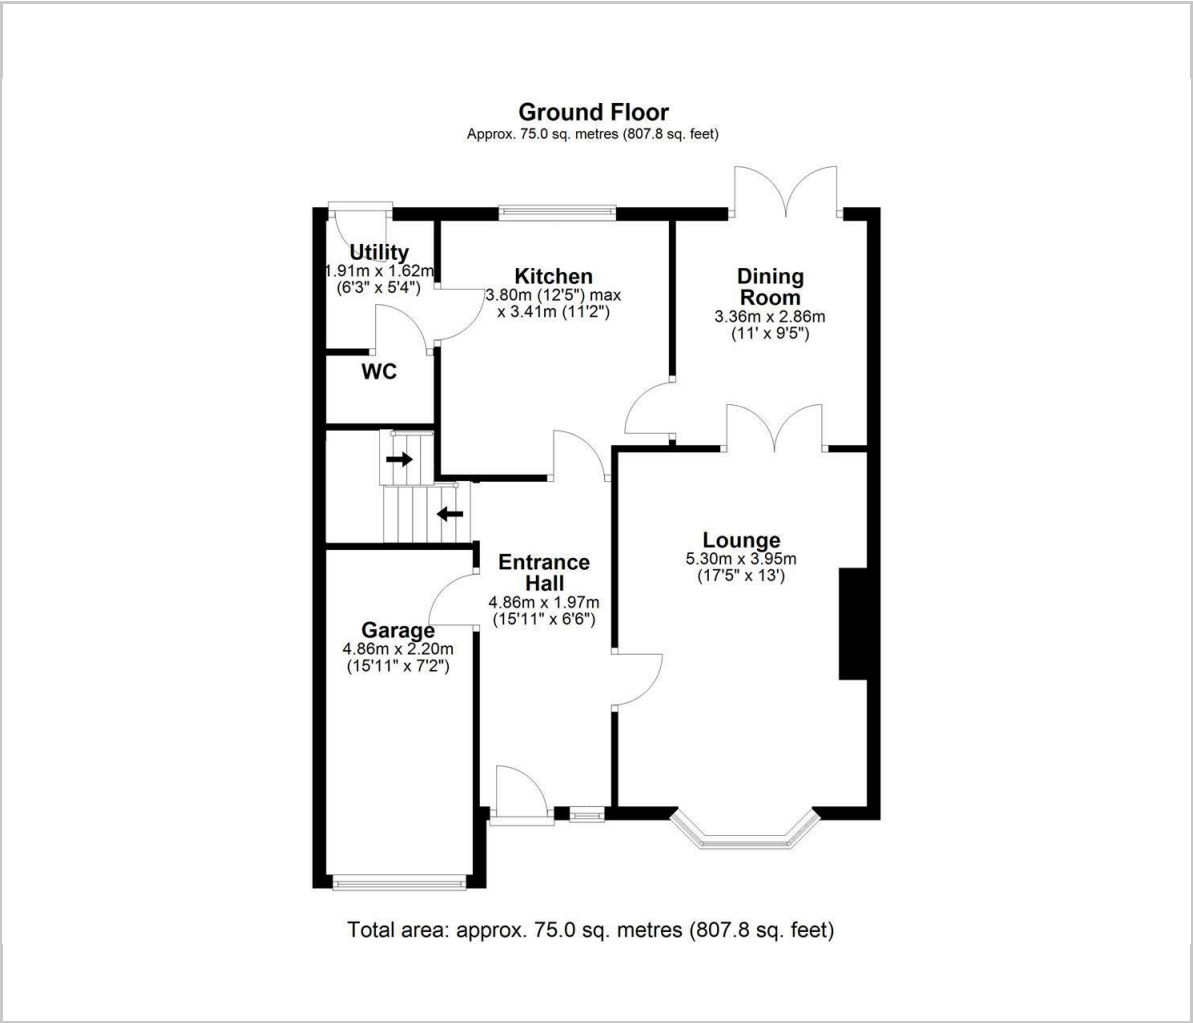

Wigston is a South Leicestershire town in the Borough of Oadby & Wigston standing approx. 5 miles south of Leicester city centre. With Knighton forming the northern border and Oadby to the east, the A5199 leaves Wigston to the south providing access to some of the county's most delightful countryside with a number of charming villages nearby. By the middle ages, the village of Wichingstone had become known as Wigston Two Steeples or Two Spires as it was unusually the home of 2 spired churches known today as All Saints & St. Wistans.

The village has grown into a thriving town in recent years with a number of housing developments spreading in all directions around the busy town centre with a choice of Banks, public houses and restaurants, and a comprehensive selection of shops.

Wigston is popular today with local buyers and those from further afield due in part to the extremely good variety of housing stock, varied leisure facilities, its proximity to Leicester, its ease of access to the motorway network and the choice of railway stations allowing travel to London in a little over an hour.
