The master bedroom lies at the end of the hall. A generously sized double bedroom with a window overlooking the rear garden. Bedroom 2 is slightly smaller but still large enough for a double bed and has views of the back garden.

The bathroom comprising a toilet, sink and bath with glass screen and shower over completes the accommodation.

THE AREA

Little Hill is a popular residential development to the south of the town with a pleasant mix of houses and bungalows, its own primary schools and a parade of shops including a post office, pharmacist and a co-op store, all within walking distance of the town centre and on a regular bus route to Wigston town centre and Leicester City Centre.

Wigston is a South Leicestershire town in the Borough of Oadby & Wigston standing approx. 5 miles south of Leicester city centre. With Knighton forming the northern border and Oadby to the east, the A5199 leaves Wigston to the south providing access to some of the county's most delightful countryside with a number of charming villages nearby. By the middle ages, the village of Wichenstow had become known as Wigston Two Steeples or Two Spires as it was unusually the home of 2 spired churches known today as All Saints & St. Wistans.

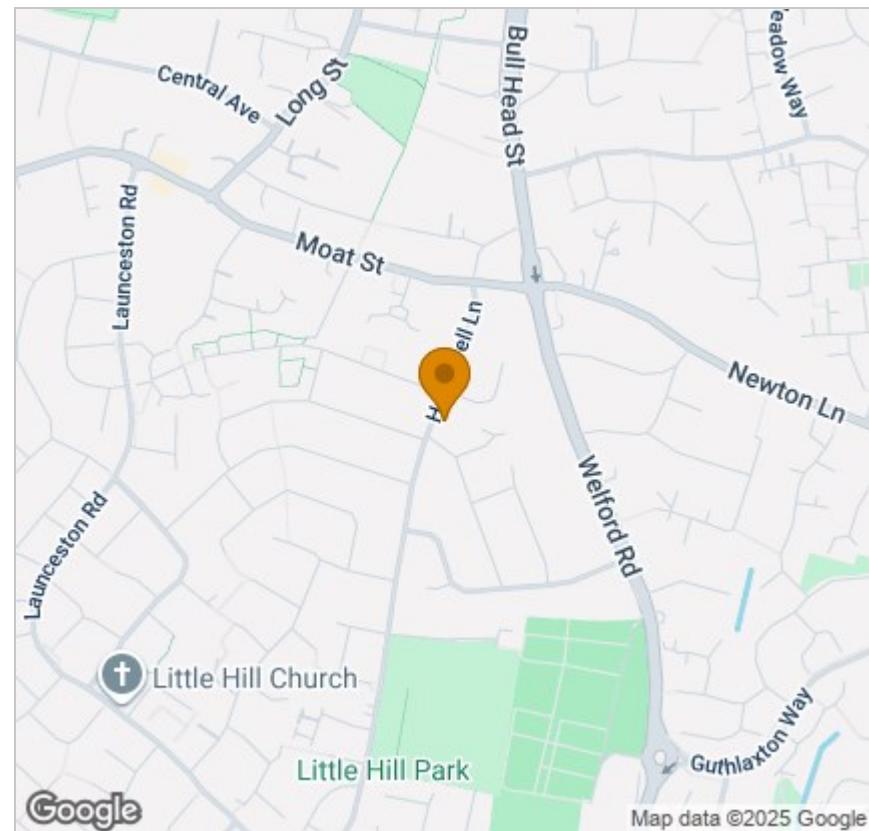

The village has grown into a thriving town in recent years with a number of housing developments spreading in all directions around the busy town centre with a choice of Banks, public houses and restaurants, and a comprehensive selection of shops.

Wigston is popular today with local buyers and those from further afield due in part to the extremely good variety of housing stock, varied leisure facilities, its proximity to Leicester, its ease of access to the motorway network and the choice of railway stations allowing travel to London in a little over an hour.
