Arranged over three floors this property has retained many of its original features and period charm. The ground floor boasts a spacious living area of circa 20ft with working fireplace and decorative cast iron range, country style kitchen with Belfast sink and access into the rear garden. The first floor offers a double bedroom with some built in storage and beautiful decorative original fireplace, family bathroom with bath and separate shower. The second floor houses the master bedroom with spectacular far reaching views across the countryside. Ideally located for access to the character market town of Wantage.

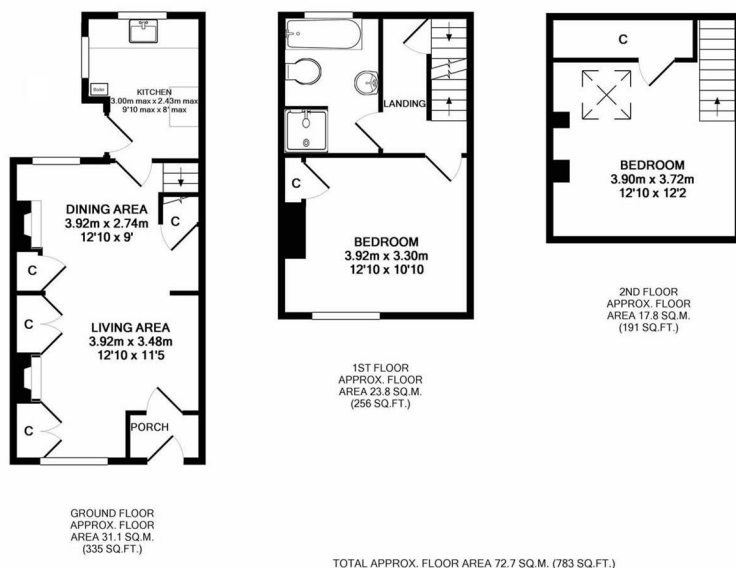

NB: The neighbouring cottages have a right of way across the rear of the house and across the garden to common land situated behind the garden. Please note the property has no allocated parking.
