152, Grosvenor Road, Westminster, London

Set within the well known Panoramic building on Grosvenor Road, this well presented studio apartment enjoys a prime riverside position in the heart of Westminster. Originally constructed in the late 1960s as a commercial landmark, the building was thoughtfully converted to residential use around the turn of the millennium and now offers well considered modern living within a distinctive and established development.

The apartment extends to approximately 509 square feet and is arranged around a generous open plan reception and sleeping area, providing excellent flexibility for both everyday living and entertaining. The proportions are particularly good for a studio, allowing the space to feel open and comfortable rather than compromised. A modern bathroom is neatly appointed and finished in a clean, contemporary style.

Residents of The Panoramic benefit from a number of valuable on site amenities, including a 24 hour concierge service, a residents' gym and an allocated, secure underground parking space, a rare and practical advantage for central London living.

The building is well positioned for the River Thames and enjoys excellent connectivity, with Victoria and Pimlico stations close at hand. A wide range of shops, cafés and restaurants are readily accessible, placing the best of Westminster within easy reach.

An ideal property for a first time buyer, pied à terre or investment, offering space, convenience and services within one of Westminster's most recognisable residential buildings.
