Red Lion Row, Camberwell Road, London

Tucked away along a discreet residential street moments from the vibrant heart of Elephant & Castle, this well-proportioned house offers an exceptionally practical layout across two floors, complemented by a private roof terrace and courtyard.

Extending to approximately 761 sq ft (70.7 sq m), the accommodation opens into a surprisingly spacious open-plan reception and dining room, benefitting from good ceiling height and large front-facing windows that draw in natural light throughout the day. The adjoining kitchen is neatly arranged with ample worktop and storage space, finished with a neutral palette that enhances the sense of light and openness.

Upstairs, the property provides two generous double bedrooms, each with large windows and space for freestanding furniture. A well-appointed bathroom serves the bedrooms, featuring a full-size bath with separate shower.

Of particular note is the sizeable roof terrace to the rear, providing an ideal outdoor retreat rarely found with houses of this type in such a central location. There is also a small private courtyard adjacent to the kitchen, perfect for additional storage or a sheltered spot for morning coffee.

Red Lion Row enjoys a wonderfully convenient position within easy reach of Elephant & Castle's transport hub, offering excellent connections across London via underground and mainline services. The surrounding area has seen significant regeneration in recent years, with an eclectic mix of cafés, independent shops and green spaces now adding to its enduring appeal.

This is an excellent opportunity for buyers seeking a unique house with scope to personalise, in a well-connected Zone 1 location.
