Set on the second floor of a sought-after portered development, this expansive apartment extends to over 1,400 sq ft and offers a rare sense of space, light, and lateral living in the heart of Westminster.

The well-balanced layout includes a generous reception room with a quiet aspect and direct access to a private balcony, alongside a smartly presented separate kitchen with space for a breakfast table. There are four bright and well-proportioned bedrooms, with the principal bedroom opening onto the balcony. Two family bathrooms provide both bath and walk-in shower options, complemented by a separate guest WC. The fourth bedroom also offers excellent versatility, thanks to its position opposite the main reception room and double doors, it could also be used to create a double reception room.
