Set within a private development just seconds from Spitalfields market is this 2 double bedroomed apartment.

Spread over approximately 1044 square feet, the flat features smart neutral décor with a clean fresh finish, high ceilings and a bright, airy feel throughout the interior. There is a large reception room with lots of natural light, wood flooring and an open-plan kitchen . There are 2 double bedrooms, en-suite to master and further family bathroom.

The development and communal areas are kept in pristine order, with 24- hour concierge service, gardens, lift facilities and bicycle storage.

Situated in the centre of the Spitalfields district, the property forms part of The Exchange Building - an historic Art Deco brick-fronted structure. Constructed in 1936 on the former site of the Royal Cambridge Music Hall, it was originally an extension of the former tobacco works of Godfrey Philips & Son trading at 116 Commercial St. It was rebuilt and extended by W. Gillbee Scott and BWH Scott in 1922-1925.

Local tube stations include Aldgate (Circle/Metropolitan lines), Aldgate East (District/Hammersmith & City lines), Shoreditch High Street Overground and Tower Hill (District/Circle lines) - the major terminus of Liverpool Street Station also lies within a comfortable walk of the property. The new Elizabeth Line at nearby Whitechapel promises to make access to Central London and Heathrow Airport even speedier.

The apartment's location means that there's a wide range of cultural, culinary and social hotspots on offer, with the diversity of Brick Lane and Spitalfields, the bustle of the City and West End, and the hip hang-outs typical of the Shoreditch, Hoxton and Old Street areas, on its doorstep.
